CIRCULAR LETTER

TO : All LIFE AND NON-LIFE INSURANCE COMPANIES, MUTUAL BENEFIT ASSOCIATIONS AND LICENSED INSURANCE INTERMEDIARIES OR AGGREGATORS BY THE INSURANCE COMMISSION

SUBJECT : GUIDELINES ON THE ADOPTION OF A REGULATORY SANDBOX FRAMEWORK FOR INSURANCE TECHNOLOGY (InsurTech) INNOVATIONS

WHEREAS, technological innovations have provided various modes of communication and novel means of conducting business throughout the years and across nations leading to the advent of Insurance Technology (InsurTech);

WHEREAS, the utilization of these technological innovations, as applied in the conduct of insurance business, can further be improved or enhanced without completely disregarding any existing and applicable laws, rules, or regulations;

WHEREAS, this Commission recognizes the immense benefit that can be derived from further developing such technological innovations (InsurTech) through experimentation, testing, and learning, which can be achieved without necessarily compromising the protection of the interests of the insuring public;

NOW, THEREFORE, in view of the foregoing and in accordance with the statutory powers vested in the undersigned by Section 437 of the Insurance Code of the Philippines, as amended by Republic Act No. 10607, the following *Guidelines on the Adoption of a Regulatory Sandbox Framework for Insurance Technology (InsurTech) Innovations* are hereby adopted and promulgated, to wit:

Section 1. Definition of Regulatory Sandbox. – For the purposes of this Circular Letter, the term “*Regulatory Sandbox*” means a controlled environment with a system set up by a licensed insurance provider in collaboration with another person, natural or juridical, licensed or not by this Commission, that allows a small scale and live testing of **technical innovations** operating under special circumstance/s, allowance/s, and/or other limited and time-bound supervision.

20029000224

Section 2. Prior Approval Required. – No Regulatory Sandbox that involves the doing an insurance business, as defined in Section 2 (b) of the Insurance Code of the Philippines, as amended by Republic Act No. 10607, or the performance of any act that will require licensing and/or regulation by this Commission shall be adopted and implemented unless approved by this Commission.

Section 3. Participation by Non-Regulated Entities. – In the case of persons, natural or juridical, who intend to participate in a Regulatory Sandbox but whose businesses are not regulated by this Commission and whose collaboration will require the performance of acts that will result in business or transactions that will require licensing, regulation or approval by this Commission, *i.e.* Fintech start-ups, etc., the same must first comply with existing regulations issued by this Commission, insofar as applicable, before submitting any application for participation in a Regulatory Sandbox.

Section 4. Experimentation Cycle. – A Regulatory Sandbox shall be operated in Experimentation Cycle/s that will be implemented one at a time and subsequently evaluated and finalized first before commencing any subsequent Experimentation Cycle/s.

Section 5. Duration of Experimental Cycle. – The Experimental Cycle, if approved by this Commission, shall last for a maximum period not exceeding one (1) year. Said Experimental Cycle can be extended for a period not exceeding six (6) months; Provided, that, the Applicant shall submit a written justification.

Section 6. Documentary Requirements; Formal Proposal. – Any person/s intending to apply for participation in a Regulatory Sandbox shall submit a formal proposal and shall submit the following documents to this Commission's Regulation, Enforcement, and Prosecution Division ("REPD"), whether in hard copy, flash drive or compact disc¹:

- a. Certified copy of DTI or SEC registration documents, if applicable;
- b. Certified true copy of the signed contract or agreement between the parties intending to develop any technological innovations within this Framework, if applicable;
- c. Certified true copy/ies of signed agreement/s that signify/ies the consent of the test subject/s;
- d. The Applicants' by-laws and constitution, if applicable;
- e. Outline of business model for the product, solution or service which shall include, at least, the following:
 - (i) Definition and explanation of the proposed innovation with justifications of the idea to the market;

¹ In case the submission of documents is by flash drive or compact disc, the documents must be in PDF format and accompanied by two (2) copies of documents showing who and when it was received by the Insurance Commission.

- (ii) The potential benefits of the proposed product, solution or service for consumers and financial markets;
 - (iii) The necessity of resorting to a Regulatory Sandbox test with its perceived outcomes and objectives;
 - (iv) A clear testing methodology, limitation of scale and relevant controls;
 - (v) The potential and perceived risks resulting from the Regulatory Sandbox test;
 - (vi) The proposed safeguards and risk mitigation strategies for avoiding potential harm to consumers or the market participants and their likely effectiveness against cyberhacks, data breach, etc.; and
 - (vii) The phases of the Experimentation Cycle, if applicable, and the duration of time that will be needed.
- f. A written projected plan and clear strategy for exit (“Exit Plan”) from the Regulatory Sandbox, which shall include:
- (i) A clear methodology to scale-up the technological solution in order to access a larger market;
 - (ii) Plan for the clients of the proposed innovation in case the same is ordered discontinued or in case the insurance provider ceases its operations voluntarily or upon this Commission’s orders, which shall include scenarios for transitioning and/or compensating said clients, among others; and
 - (iii) The amount that will be specifically earmarked for the implementation of the technological solution that shall be intended as payment for any claims arising from said implementation or adoption thereof, which shall be unimpaired at all times.

Section 7. Application Screening Parameters. – In the screening of applications, the following parameters shall be considered based on the documents submitted:

- a. Innovative idea/s;
- b. Insurance inclusion, indicative that the proposed technological solution can promote or provide equal opportunity to access insurance services and will increase insurance literacy;
- c. Consumer benefit and protection;
- d. Readiness for testing indicative of the adequate resources to support the testing and clear methodology and control, among others; and
- e. Soundness of the Exit Plan.

Section 8. Implementing Division. – The REPD shall receive any and all applications under this Circular Letter and determine whether or not the required documentation is complete and whether the applications exhibit the parameters outlined in Section 7 of this Circular Letter. The REPD may require additional information or documents from the Applicants for clarificatory matters only, if needed. In evaluating the applications, the REPD is authorized to coordinate with other concerned divisions of this Commission.

After determining that the required documentation of an application is complete and that the same exhibits said parameters outlined in Section 7 of this Circular Letter, the REPD shall submit its recommendation to the Insurance Commissioner for approval.

Section 9. Approval. – If the Insurance Commissioner is satisfied with the recommendations of the REPD that the required documentation is complete and that the same exhibits said parameters outlined in Section 7 of this Circular Letter, the latter shall issue a letter of approval (“Approval”) to the successful Applicants. The successful Applicant will be allowed to operate and proceed with live testing or experiments within the period contained in Section 6 (i) (vii), in relation to Section 5, of this Circular Letter.

Section 10. Mandatory Reporting. – The successful Applicants shall mandatorily submit a monthly written report to this Commission, through the REPD. The monthly report shall contain, among others: (1) Proof of the progress or regress of the parameters in Section 7 of this Circular Letter; (2) Percentage of completion of or phase/s completed in the Experimentation Cycle; and (3) Other concerns, if any, that the successful Applicants need to bring to the attention of this Commission. The Insurance Commission may also require the successful Applicants to submit additional documents, if needed, to clarify matters.

If any concern brought to the attention of this Commission requires the modification, improvement, or enhancement of the plans or experiments contained in the application, as accompanied by relevant proof, such modification, improvement, or enhancement may only be adopted and/or implemented by the Applicants upon request and subsequent approval of this Commission.

The period to file the monthly reports shall commence from the date of the receipt of the Approval by the successful Applicants.

Section 11. Penalties for Violation. – The Applicant’s/s’ failure to comply with any of provisions of this Circular Letter shall warrant the immediate denial of the application. In case an Approval has already been issued to the Applicant/s, the Approval shall be immediately revoked. This Commission may also revoke or suspend the Approval at any phase or stage of the Experimentation Cycle if it finds, during such phase or stage, that the technical solution or experiment does not progress or fails to meet any of the parameters mentioned in Section 7 of this Circular Letter.

Section 12. Completion. – At the end of the Experimentation Cycle, or if the successful Applicants achieve the results desired earlier than the end of the Experimentation Cycle, the successful Applicant shall submit a written Completion Report to the REPD. The Completion Report shall, at least, include the following, to wit:
