ADVISORY

DEAR ALL:

This is to clarify the earlier uploaded advisory dated 07 August 2019 in the Insurance Commission's (IC's) website relative to the PLDT telephone lines. The Commission has received a report from the PLDT officials, after having conducted an investigation, that the contractor of the sponsored project of DPWH accidentally hit the PLDT lines inside the IC premises.

PLDT officials assured that all telephone lines will be restored as soon as possible.
