INSURANCE COMMISSION ADVISORY

TO : All Insurance Brokers, Reinsurance Brokers and Both Insurance and Reinsurance Brokers

SUBJECT : Membership to the Association of Insurance Brokers of the Philippines (AIBP)

The Association of Insurance Brokers of the Philippines (AIBP) is an organization composed of large multinational insurance brokers, top independent local brokers with international networks, in-house brokers of large conglomerate and small to medium-sized insurance brokers serving niche markets in the Philippines.

This Commission recognizes the importance of the industry associations to expand and grow the members' network, provide assistance, share technical knowledge and expertise, and act as liaison to the regulator. Hence, advisories, regulatory updates and issues related to the brokers industry are easily cascaded and facilitated.

To achieve the abovementioned purposes, this Commission encourages all licensed insurance and/or reinsurance brokers to become a member of the AIBP.

For inquiries and clarifications on membership requirements, you may reach the AIBP through +63960-846-1070 / (02)8652-7475 or the following:
