NOTICE

TO : ALL PLANHOLDERS OF DANVIL PLANS, INC.

SUBJECT: NEW TELEPHONE NUMBER OF DANVIL PLANS, INC.

1. The telephone landline number of Danvil ((02) 413-8763) has been lately rendered unserviceable. Although the line is defective but when one calls that number, the phone keeps on ringing giving the false impression that the phone is working but that nobody from Danvil is around to answer the call. While the staff has been following up the phone service provider on this, its technician has yet to visit the company site to look into the problem. Aware that many planholders are already complaining for their failure to contact Danvil thru phone, it was decided to just get a new landline phone and have this connected with the leading phone service provider in the country. The new landline number of Danvil is (02) 515-3157.

2. The Danvil planholders may also contact the office thru its cell phone with numbers 09179559576 (Globe) and 09426154481(Sun) and/or thru e-mail with the following e-mail addresses: danvil.liquidation2017@gmail.com and rdtlaw21@gmail.com.

3. For your information and guidance.

City of Manila, Philippines, 01 June 2018.

ATTY. RONY D. TOGONON
IC-designated Liquidator
Danvil Plans, Inc.
