## NOTICE TO THE PUBLIC

Notice is hereby given to warn the concerned claimants of companies under conservatorship, receivership, and liquidation that this Commission or the office of the appointed Conservator, Receiver or Liquidator (CRLr) do not send representative/s to the residences of the concerned claimants to facilitate the processing of their claim/s in return for a fee or certain percentage from the amount of benefit that they will receive.

We strongly urge the concerned claimants to transact **only and directly** with the office of the CRLrs of companies under conservatorship, receivership or liquidation. For companies with ongoing distribution of claims, please refer to the contact person and details as provided in the previously issued Notice to the Public regarding such announcement.

We also encourage the public to become extra vigilant in providing personal information. This also serves as a reminder to all CRLr's to handle the personal information of the policy/planholders with utmost care and diligence.

Should you encounter similar cases, please send your report to the Conservatorship, Receivership and Liquidation Division at [crl@insurance.gov.ph](mailto:crl@insurance.gov.ph). Accordingly, all stakeholders are enjoined to regularly visit <https://www.insurance.gov.ph/> for major announcements.

For your information and guidance.
