ANNIVERSARY CELEBRATION WITH “INSURUNS”**

The Insurance Commission, in cooperation with the agency’s partners and stakeholders from the Department of Finance (DOF) and its attached agencies and the various regulated entities, will be hosting a fun run and walk activity dubbed “InsuRUNS” to kick off the celebration of the agency’s 76th Founding Anniversary.

The event will be held in the morning of 16 March 2025, at the UP Science Complex Oval, UP Diliman, Quezon City. Around 900 participants have registered for the 3 kilometer, 6 kilometer, and 7 kilometer categories.

“This activity is a fun and meaningful event that promotes wellness and camaraderie among IC personnel, together with the DOF family and our stakeholder industries. At the same time, the activity aims to raise awareness about the importance of insurance to empower and secure the future of Filipinos against financial risks,” said Insurance Commissioner Reynaldo A. Regalado.

“We have also lined up various significant activities in celebration of the IC’s 76 years of dedication and innovation in the public service, culminating in a stakeholders’ and employees’ appreciation activity on the 20th of March,” he added.

Various online seminars, including those on Takaful, personal financial management, financial inclusion, basic insurance concepts, and regulatory compliance capacity building, are scheduled from 17 to 19 March 2025.

“This year’s anniversary theme, ‘Insurance Commission Reimagined’, reflects our agency’s dedication to innovation in meeting changing consumer needs and fast-paced regulatory developments, while keeping our traditions of integrity and commitment,” Commissioner Regalado remarked.
